BOSTON ARCHITECTURAL COLLEGE

2017-2018 Academic Year

Appeal of Financial Aid Suspension

The BAC Financial Aid Office is required by federal and state regulations to ensure students receiving financial aid are making satisfactory academic progress towards completing their degree. Since your academic performance has fallen below the minimum Financial Aid Satisfactory Academic Progress requirements, you are on Financial Aid Suspension and ineligible for federal and/or state financial aid until you have met the minimum requirements. You have a right to appeal the Financial Aid Suspension. Please fill out the information below to request an appeal of your Financial Aid Suspension. The SAP Appeal Committee will review your appeal. You will be notified of their decision within two weeks. The decision of the SAP Appeal Committee is final and further appeals are not accepted unless there are significant changes since the last appeal. Once completed and signed, please return this form to Financial Aid Office via mail, fax, or email.
