

**2026-2027 DEPENDENT VERIFICATION WORKSHEET**

**Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for a process called verification.** Before awarding Federal Student Aid, we need you to confirm the information you and your parent(s) reported on your FAFSA. To verify that you provided correct information, the BAC will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information will be corrected. You and your parent(s) must complete and sign this worksheet, attach any required documents, and submit the form via self service online through the Document Submission Portal. The College may ask for additional information. If you have questions about verification, please contact us as soon as possible so that your financial aid will not be delayed. You should make a copy of this form for your records.
