TUITION AND FEES

bursar@the-bac.edu | 617.585.0115

Tuition charges are based on your registration. We encourage you to review the listing of 2020–2021 tuition and fees, along with refund policies, prior to registration.

Bills for tuition will be available shortly after your registration has been processed. Paper statements will be post-mailed to your current address. Payment will be due by July 15th, 2020. For more information regarding payment options and late payments, please visit our website.

Lastly, Tuition Refund Insurance is available to purchase. More details can be found at www.gradguard.com/onsite.

FINANCIAL AID

bursar@the-bac.edu | 617.585.0115
finaid@the-bac.edu | 617.585.0125

Students receiving financial aid must have their financial aid fully approved prior to the billing deadline. Fully approved financial aid will appear as Anticipated Aid on your student account. If you have not already done so, you may still apply for financial aid by completing a FAFSA for the 2020-2021 academic year:

Students receiving federal financial aid must enroll in and complete a minimum number of academic credits that apply towards their degree requirements each semester—6 academic credits for undergraduate programs or 4.5 academic credits for graduate programs. Failure to enroll in the minimum required credits may result in the cancellation of Federal Direct Student Loans and the reduction or cancellation of federal grants. Failure to attend courses in which you are enrolled may result in the reduction or cancellation of your federal aid.

Additionally, for students receiving Federal Pell Grants, MASSGrants or VA Benefits, Practice Reports and Practice Registration Forms must be submitted to the Practice Department by the established deadline in order for practice hours to count toward the enrollment.

Students who anticipate borrowing private student loans are advised to apply for such loans as early as possible. Private student loans must be fully approved and certified by the school before they can be used for registration clearance.

HEALTH INSURANCE

The state of Massachusetts requires all Massachusetts residents to have health insurance. Students enrolled at half-time status (6 credits undergraduate or 4.5 credits graduate), will automatically be billed the Student Health Insurance.

Fall 2020 TUITION & FEES

| Student Activity Fee: $50 |
| Registration Fee: $25 |
| Resource Fee: $300 |
| Health Insurance: Undergraduate $2,866 Graduate $3,823 |

F-1 Visa International Students

| International Fee $350 |

To complete enrollment in the insurance plan, we ask that you fill out an Enrollment Form on-line. To opt out of the student health plan, students must submit an on-line Health Insurance Waiver Form showing proof of comparable coverage. Enrollment or Waiver Forms must be completed by Date TBD online via www.gallagherstudent.com/bac.

Please note: International students cannot waive coverage unless they are currently enrolled in an insurance plan of comparable coverage through a US-based insurance company.

For any health insurance, waiver or enrollment questions please feel free to contact Gallagher Student at 617.769.6007 or toll free at 1.877.736.6648 or the BAC Operation’s department by email at operations@the-bac.edu.
