

BOSTON
ARCHITECTURAL
COLLEGE

SINCE 1889

Donor Impact Report

2021

An investment in the BAC is an investment in the future.

132 years ago, our founders convened the Boston Architectural Club with aspirations of creating an open and inclusive society for anyone interested in architecture.

This year, donors joined students, faculty, and alumni to continue upholding the BAC's importance of access, affordability, excellence, and the value of practice-integrated education.

The examples on these pages show just how much your generosity has been put to work to make an education possible for the designers, change-makers, and leaders of our future.

Thank you.

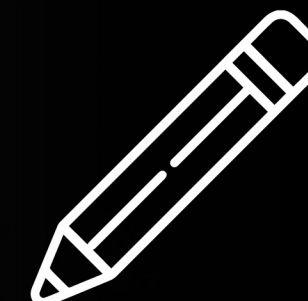

You are one of **232** donors
Together, you gave over **\$1M**

*includes over \$500,000 in grants

Your collective gifts...

Advanced faculty development and training transforming their coursework to hybrid formats.

Enhanced practice-integrated learning and student success experiences.

Adapted campus spaces for a safe and engaging return to in-person activities.

Reduced financial barriers for students and helped them achieve their potential.

“

I love how the BAC balances professional practice with good design—it makes for good architects and I’m proud to teach and mentor our unique student body.

- Mark Rukamathu, AIA, NCARB
Director of Special Projects and Faculty,
School of Architecture

THE BAC FUND

Your gift made an immediate impact

Donors who give annually make an immediate impact and help address emerging and high priority needs of the College.

- **57** loyal donors have consistently given over the past 3 years
- **79** first-time donors
- **40%** of donors are alumni
- **\$95,860.00** given to the Student Scholarships Fund

“While outside the classroom, I was painting with acrylics and oils on canvas, but inside the classroom I was drawn to math and physics. Coupled with my passion for psychology and understanding human behavior - I discovered the BAC and have focused my energy on how architectural design impacts our daily lives.

- Yasmine Badawi, B.Arch'24

THE ENDOWMENT

Your gift has an enduring impact

Donors to endowed funds provide a steady, predictable, and perpetual source of income for the College.

- **\$14,694,737** total market value
- **\$97,579.32** donated to restricted funds
- **\$485,949.81** made available for spending

“

To me, the BAC is about access, opportunity, and empowerment—combining to create a supportive educational and professional community. A gift to the BAC is an investment in students and an investment in our society—building a better-designed and more inclusive world.

- Anddie Chan-Patera, MIA'18

Every gift - no matter its size - impacts our students

THANK YOU

Philanthropy impacts every facet of the BAC's campus community and encourages faculty, staff, and students to continue being resilient, resourceful, and creative as we work to diversify the design professions.

If you have questions or would like to receive more information about giving opportunities, please contact the Office of Institutional Advancement at **617-585-0107** or **giving@the-bac.edu**.
